Minecraft Dungeons Giveaway

Good day everyone!
Do YOU want to win a copy of Minecraft Dungeons: Hero Edition?
Good, because we're giving one away!

We're going to be holding a competition to see who can refer the most players to VentureKraft. The competition opens on June 5th, 2020, and closes at 11:59 PM EST on June 26th, 2020.

To participate, run the command `!gencode` in `#general` on the Discord server. This will generate you a 4 character referral code. You can then begin inviting new members to apply for the server. Make sure they mention your referral code in their application. Once their application has been accepted, a staff member will add a join to your code. You will receive a DM informing you that someone has used your code and you have received credit for it. Every few days, this page will be updated with the most recent leaderboard

Grand Prize: (1) Copy of Minecraft Dungeons Hero Edition

Second Place: (3) Months of Sponsor or $30 Store Credit

Third Place: (1) Month of Sponsor or $10 Store Credit

Places 4-10: (1) Choice of a game from our vault of over 200 games
