Build Battle

Build Battle is a creativity game where all players vote on one out of four given themes and then build the theme that they voted for in a short amount of time. After the time is out the players vote the builds of each other. Winner is the one with the most upvoted build.

Build Modes:

- **Normal**
- **Guess The Build**

Build Themes:

The build themes will **NOT** be listed here in order to not ruin the magic of the players finding them out. However what will be noted is that on some holidays there will be special themes. Those holidays are :

- **Christmas**
- **Easter**
- **Valentines Day**

- **April Fools**
