Welcome!

Welcome to the **Vanilla** Server! This server offers a Semi-Vanilla experience with a few Addons installed. The Addons only exist to enhance the Player Experience and for safety reasons. If that sounds fun then be sure to hop on and start playing! From this main page, you will be able to access all the information you will need to know in order to get the best experience possible from our **Vanilla** server!

Contents:

- Vanilla Addons
- Extra Info

Revision #7
